Dear Mr Clarke

**RE: STOCK CONTROL AND ORDERING SYSTEM**

Just a quick note to say that we have now been running the system your company built for us for well over 12 months and we have been very pleased with its performance.

The initial development was excellent and the system has performed very well so far.

Thank you very much for providing a suitable product and keep up the good work – I have no hesitation in recommending your company's services to friends and colleagues

Once again many thanks.

Kind Regards

Melvin Glazebrook
